

Milé děti,
vajíčka mohou být různě barevná a mohou mít
na sobě nádherné ornamenty. Zkusíte vybarvit
několik vajíček dle vlastní fantazie?

Rodičům ukažte, jak umíte správně držet pastelku (tužku):

***Vezmi palec, ukazovák,
zob, zob, a máš zobák.
Do zobáčku tužku dáme,
prostředníčkem podpíráme!***
